Next Sheriff of Marion.

Mr. George R. Lilly, the Fairmont contractor, was in the city Tuesday, to look after business interests with which he is connected, and to incidentally renew acquaintance with our business men, with many of whom he is well and favorably known. Mr. Lilly is an old time Democrat of the Jeffersonian type and is prominently mentioned as a candidate for the Democratic nomination for sheriff of Marion county this year. Should he receive the nomination at the hands of the Democratic party in his county, he would give his opponent a hot chase for the office and would, no doubt, come out several hundred votes ahead at the November election. His qualifications for the office are all that could be desired. His honor, honesty and integrity cannot be questioned, and he would bring dignity and business methods to the office which would enlarge his sphere of personal popularity without bounds. We hope to see Mr. Lilly elevated to the position as next sheriff of our sister county—Grafton Leader (Democrat).

Postmasters Appointed.

WASHINGTON, D. C., May 28.—After the Cabinet meeting to-day Postmaster General Payne announced that these postmasters had been appointed:

Nebraska—Mrs. Fay Whitfield, Peru.

West Virginia—E. L. Long, Welch.

Arkansas—E. E. Hudspeth, Nashville; Miss S. M. Hower, Oxford.

Indian Territory—F. L. McCoy, Cato.

## HANNA'S FACE ON BONDS

PLATES FOR THE PANAMA ISSUE HAVE BEEN ORDERED—SEC RETARY OF TREASURY

WANTS. NEW ISSUE PUT ON THE SAME BASIS AS THE REFUNDING CONSOLS.

WASHINGTON, May 27.—Secretary Shaw has ordered the preparation of plates for the \$100,000,000 issue of Panama canal bonds authorized by Congress in connection with the actual work of construction of the waterway. He said today he did not expect the bonds would be needed soon, but thought it best to be prepared.

Secretary Shaw has also ordered that the bonds bear the portrait of the late Senator Hanna, "in recognition of the great service rendered by the deceased statesman in advocating the several measures and the ratification of the treaty which made the canal an assured fact." Mr. Elmer D. Over, secretary of the Republican National Committee, who was also secretary to the late Senator Hanna, will furnish the photograph from which the portrait will be engraved by the Bureau of Engraving and Printing. Mr. Over will leave to-morrow for Cleveland to spend several days at the home of Mrs. Hanna and will mail Secretary Shaw a photograph, selected by members of the family.

he would ask for certain legislation before issuing the bonds and would not issue them now, even if there were a demand for the bonds, in the absence of such legislation. He proposes to ask Congress to enact a law to put the Panama bonds on the same basis as the refunding consols with respect to the circulation tax.

### THE BUSINESS MAN,

As well as all other level headed men, realizes the importance of insuring against loss by fire. But we want to address our remarks to those who are not fully aware of the advantages of FIRE INSURANCE.

To such men we will be glad to give information of interest. We guarantee not to bore them by urging them to insure. We simply wish to show the advantages of carrying insurance. Drop us a card, and our representative will call.

WHEELING, May 28.—The operators of the O'Neil mine at Herrick postoffice, on the C. L. and W. railroad near Adena, has signed the miners' scale and 100 men will go to work at once at the scale formulated by the miners at their conference in this city in April.

The mine is worked with machines and the output is about 400 tons per day. This is an important move on the part of the miners and they think that the influence of the signature may help their cause.

Give Captain Leonard the glad hand. Take a ride on his boat Sunday to the Park at 2 or 7:30.
